Having served as a PSM, the Chair of the Welfare, and the Vice-President of the Northern Services Student Union Consortium, I am well suited to the role of President.

1 – Welfare

-The GUU will collaborate with the other student Unions to explore the possibilities of adopting the Gender-Based Violence campaign, the Emily Test.

-I will conduct surveys to better understand student issues.

2 – Sustainability

-The GUU will lead a sustainable transition through the increased accessibility of plant-based alternatives, the reduction of single-use plastics and collaboration with student groups such as GUEST.

3 – International Students

-I will run events outwith the nightclub spaces that are aimed at attracting international students.

4 – Music

-With a lack of music rehearsal spaces on campus for non-music students, I will continue the work I have done this year in creating a rehearsal room and organising a student Battle of the Bands.

5 – Nightclub Improvements

-Create rolling drinks offers for Sports Wednesdays to ensure that the Union remains a competitive venue.

-Work with GUSA to introduce an intra-club competition that will run over the course of the year.

-Invest money in refurbishment, making improvements such as to Base Bar and rebuilding the HIVE stage.
