

GLASGOW UNIVERSITY UNION

ELECTION OF OFFICE BEARERS AND BOARD OF MANAGEMENT 2024/25/26

MANIFESTO FORM

For the position of: Present Student Member

Candidate: Sophie Warren

Proposer: Freya Austin

Seconder: Grace Turnbull

The space below is provided to allow candidates to explain their reasons for offering themselves for their respective positions and to list such qualifications and experience which are relevant to these posts in not more than 200 words.

My interest in joining the board stemmed from my participation in the D*** F***** painting committee which I thoroughly enjoyed. Through meeting members of the board and creating new friendships, I began to understand the ethos of the Union board, the strong bridge of teamwork that exists and most importantly- the fun to be had.

Collaborating with others to paint for the event was a fun and fulfilling experience, allowing me to work in a diverse team and create something beautiful together. This experience also taught me that the more time and effort you put into the Union, the more fun and benefits that will be returned.

Thus, this led me to wanting to have a more influential role within the Union, and I strongly believe my unique selling points as PSM will be harnessed upon others whilst working within the board with the strengths of my confidence, communication, organisational skills, and teamwork abilities.

If I was given this opportunity, I would aim to use my creative approach to incentivise new ways to promote the Union financially and ethically, to make it a better, safer, and more captivating environment for all students.
