My main goal if I were to be elected to the position of Present Student Member would be to better the student experience in the union. I would look to do this by getting the opinion of various students on what we could do as a board to make the GUU even better. Also I believe that whilst succeeding academically in University is very important it is also very important to keep in mind that you are only in University once and should take the opportunity to create memories and friendships that will last a lifetime.
